SOURCE ID: 021-067-00067

AGENCY INTEREST: 37979

ACTIVITY: APE20070001

**SOURCE DESCRIPTION:**

A renewal permit application was received from Louisville Gas & Electric Company (Kentucky Utilities Company) October 03, 2007 and was complete on November 27, 2007.

Kentucky Utilities operates a Natural Gas “peaking” power generating station. This facility contains three 304MMBtu/hr gas turbines.

An operating permit was issued in 2002 and will expire in 2008. There have been no changes to the source. This is a renewal of permit V-02-034.

**U.S. EPA REVIEW:**

The U.S. EPA was notified of the issuance of the proposed permit on April 25, 2008 via e-mail. The comment period expired 45 days from the date of e-mail. No comments were received during this period. The permit is now being issued final.
